

Remove useless splash screen :set shortmess+=l

```
:map <F9> :e $HOME/_vimrc<CR> :map <F6> :so $HOME/_vimrc<CR>
```

Legend: 16 The search direction is relative; **next** is the initial direction, **previous** is the opposite direction. **n** , repeat same initial direction find. **N** , repeat opposite initial direction find. **Note:** **;** , only searches cursor line, **nN** searches buffer.

11 See: `src/edit.c -c "/ctrl_x_msgs" for ^x* insert cmds`

```
.set lisp      lisp indent mode
```

One of	Barber's last
--------	---------------

```

:set lisp
lisp indent mode

```

```
noremap + :s/^VV/<CR>
```

```
nt noremap - :s/^V//<CR> uncommment
```
